Outreach: “Batten the Hatches” at the Sanford Historical Society Meeting

East Central Regional Staff was invited to attend the July Sanford Historical Society Meeting and provide a presentation. Emma presented “Batten the Hatches: The History of Florida’s Atlantic Hurricanes” to the audience. The presentation discusses the history of hurricanes, hurricane tracking, and a few of Florida’s most famous and deadly storms.

Outreach: Cape Canaveral Summer Camp

East Central Regional Staff visited the Cape Canaveral Summer Camp to host a mini Introduction to Archaeology Day. Summer campers, ranging in age from 6 to 13 learned about Florida's precontact past and stone tool technology change, and got the chance to try their luck at the atlatl.
