

**East Central Region**  
Quarterly Report – October/November/December 2022  
Sarah Miller, Director  
Emma Dietrich, Public Archaeology Coordinator  
Robbie Boggs, Office Manager

**Outreach: Valencia Archaeology Day**

The East Central Regional Office in partnership with Valencia College hosted the 4<sup>th</sup> biannual Valencia Archaeology Day. Students participated in experimental archaeology focusing on hunting technology. University of Central Florida graduate student, Trace, provided a flint knapping demonstration, and students tried their hand at the atlatl.

**Trace speaking about stone tool technology to 2022 Valencia Archaeology students.**

## **Assisting Local Government: Monitoring Sites at River Lakes Conservation Area with the St. Johns River Water Management District**

The East Central Regional Office monitored at risk sites after Hurricanes Ian and Nicole in the River Lakes Conservation Area with St. Johns River Water Management District staff. Seven archaeological sites were monitored showing signs of hog damage and flooding. One new site was identified, and subsequent FMSF number request was submitted.
